ORDER

William Jason Greenwood has filed a motion to dismiss this case for lack of personal jurisdiction. Because plaintiff's complaint does not identify Greenwood as a "Doe" defendant, he is not before the court. If and when plaintiff amends its complaint to identify Greenwood as a defendant, and serves process in accordance with the federal rules, Greenwood may challenge the exercise of personal jurisdiction. Until that time, his motion to dismiss [Doc. #37] is denied as premature.

SO ORDERED.

DATED: January 13, 2011.
